

KISAN RATH: FACILITATE TRANSPORTATION DURING LOCKDOWN

Rohit Jaiswal
CISH, Lucknow (U.P.)

“Kisan Rath will ensure uninterrupted supply by providing timely availability of primary and secondary transport vehicles between farmers, mandis, intrastate and end buyers.”

Kisaan Rath

Kisaan Rath will ensure the availability of facilities and facilitate timely transportation by farmers and traders at competitive rates for farmers to ease their agricultural produce from one place to another during the global pandemic coronavirus recession.

The Kisan Rath app has been developed by the Ministry of Agriculture for the welfare of the farmers, traders which will contribute in a timely manner to the Indian farmers and traders in the nationwide lockdown. It will be very easy to find transportation from one to the other market and the rates of transport expenses will also be reasonable. Kisan Rath will ensure uninterrupted supply by providing timely availability of primary and secondary transport vehicles between farmers, mandis, intrastate and end buyers.

What is Kisan Rath

Kisan Rath App is an online app that will help in providing onboard transportation facility from 5 lakh trucks and 20000 tractors, through which two types of transport facilities will be available in which primary service for farmers to facilitate the delivery of goods or traders from their farm or area to local mandis warehouses or collection centers of farmers producer organization. In addition to providing convenience. This app

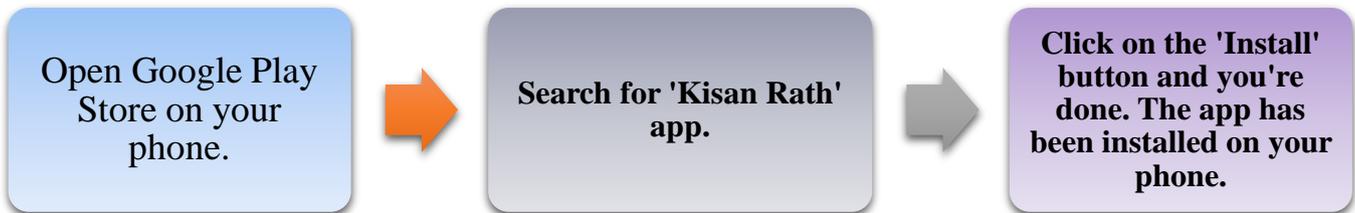

provides support to the Hindi language keeping in view the convenience of refrigerated transportation.

As we all know in this the era of epidemic where lockdown has been imposed in India at this time. Farmers were finding it difficult to sell their Rabi crop produce easily, while removing this problem, the Government of India Minister of Agriculture, Honorable Narendra Singh Tomar ji inaugurated this app so that farmers Can be easily shipped all over India so that food supply problem does not arise in India in the future.

How to download Kisan Rath

Kisan Rath app developed by National Information Development Center is easily available to all android users on the Play Store, under which farmers and traders have been connected to a network of more than 500000 trucks and 20000 tractors.

"This will be an important step towards the provision of timely transport service for farmers and traders at competitive rates and thus, it insure the farmers for doubling their income as Prime Minster has said."
